

OMGC Traffic Flow

Updated 8/25/17

If you would like to **park and walk** your child to morning line up, please enter through the Vermont Avenue gate and park. Enter through the pedestrian gate near the TK/K playground.

If you would like to **drive-thru and drop-off/pick-up**, please enter through the upper basketball court on Dracena Drive and make a U-turn and exit through the lower faculty parking lot on Dracena Drive.

This is a ONE-WAY! If you enter through the Dracena basketball courts, you MUST EXIT through the Dracena lower level teacher parking lot. Reversing impedes traffic and puts the safety of our students and parents at risk. Please follow this one way.
